Figure 3 is a schematic diagram of a multi-layered structure. It consists of two vertical columns of rectangular blocks. The left column has 8 blocks, and the right column has 7 blocks. The blocks are arranged in a staggered fashion. Labels 31, 312, 311, and 313 point to specific blocks in the top row of the left and right columns.

FIG. 9

Figure 3 is a perspective view of a circular structure 31, which is a ring-shaped member with a circular cross-section. The structure is composed of multiple vertical ribs 314 and a central circular opening 31.
